CONTENT OF THE PROGRAM

English Restart is an original online video training tutorial. It is for all students who want to know how to learn English effectively. English Restart gives students the basics about the approach to the study of English as well as foreign languages.

One of the key parts of the English Restart program is a system of three simple techniques that enable students to learn English, especially by using the language, and not by studying about it.

The program costs 89 USD and there is a commission of 20 USD for you.

STRUCTURE OF THE PROGRAM

The online English Restart program consists of four free introductory videos in which the student can get acquainted with the program and enter the paid part of the program. It contains 10 videos which are gradually made accessible through 10 days.

AUTHOR OF THE PROGRAM

My name is Zdenek and I am an author of the program. I work as a lecturer of English. I have taught English for over 10 years. During my work, I have met hundreds of students. Some of them were so successful that they are now themselves teachers of English. I am a co-author of a number of online projects for students of English.
